# Vishnu Saseendran Nair

## Best of my PROJECTS

- **Hotstar Clone using HTML,CSS and Bootstrap**  
Engaging static landing page for Hotstar, skillfully crafted using HTML, CSS, and Bootstrap, combining seamless design with user-friendly elements.
- **Library Management using Flask**  
Dynamic interactive website powered by PHP, JavaScript, HTML, and Flask, designed to effortlessly manage user/customer data and librarian information within a comprehensive digital library system.
- **House Price prediction using ML**  
ML-powered house price prediction, with enhanced accuracy through comparison of 3 models.
- **Meeting Summarisation using ML**  
Efficient ML-driven tool for summarizing online meetings, condensing discussions and key points to save time and enhance productivity.
- **Job Recruitment System using ML**  
Streamlined Job Recruitment System with ML integration, offering practical HR and candidate site control.
